# Presidents Corner

## Andy Werback, President

Good Morning. As I sit here composing and recovering from a couple of days at Reno Air Races, waiting for thoughts to ferment, sprout or something. Waiting for complete thoughts. Yes, we did have a good time there, lots of Lancair friends, people from the Chapter, friends from RHV. Larry Reed, Roger Kopp, Jeff West, Tony Sorce, Don and Mark VanRaesfeld, Vicki and Jeff Benzing, Chris Luvara, and maybe a few others. Nice to see you there!

Things went much better this year compared to last year. Not perfect, but a big improvement. The racing was mostly error free, just a few cut pylons. It was exciting, with a couple of lead changes in the last laps. Lots of "newer" pilots doing very well. In the Sport Class, we had Tom McReynolds take 3rd in Sport Gold. Tom is from Palo Alto, and last year I helped get his airplane ready for Reno. In Super Sport Gold, a fellow Lancair builder helped Lynn Farnsworth take 3rd place after they replaced all 6 cylinders on Thursday! Congratulations to all, good job.

We had another good turnout at the last General Meeting. A few NEW Members, and some visitors. Dan Zitter was there with Jason Beaver (new Member), Ayaba T attended, and special guest John Gibson.

For a while it looked like we would have to scramble to get some presentations, but it worked out just fine -

ICON A5

Chris Guerrero gave us a really good recap of his Air Academy experience. I think Chris' presentation was unique in that he described more what it was like, and the different experiences, as opposed to what they did. Thanks, Chris, you'll be great!

John Gibson, President of Golden West, was here on a local business trip, and he gave a presentation on the need for growth in General Aviation. The current trend is downward, so there are a lot of messages that need to be taken to heart.

Part of Rolls Royce collection

Speaking of expanding aviation, we hope that you can attend and support Reid Hillview Airport Day - We will be doing Young Eagles in conjunction with RHV Airport Association.

Farther out, there is now an Order Form on-line at EAA62.ORG to sign up for Christmas Party. And we hope to see you at the October 25th Chapter Picnic.

Hey – Anybody have a little free time? We need YOU! It's Your Chapter! This is a good opportunity to get involved, whether you have been a member for a while, or maybe you're a new member and want to get more involved. We need a Secretary and we have the Membership Chairperson position available. Also, we need help with Young Eagles – helping to run YE events and do event advertising. It's a lot of work for one person.

So please let us know, Nominations will be announced soon, Elections are in November!

Also, fall is now here, and 2009 is not too far away. Sorry, time flies. And so do Dues. They will be DUE first of next year, but please go ahead and get it done early. This year it took a lot of effort from Roger and Rena Kopp to get people caught up, and the Membership person really needs to focus on new members. So please help by getting it done on time.

Thanks,  
Andy

## In the Right Seat

### Terri Gorman, Vice President

Was it the threat of a more challenging Poker Run designed by Wolfgang Polak, our Webmaster, or the increase of aviation fuel that caused the lack of interest in our yearly EAA Chapter 62 Poker Run? With only two pilots signed up, we canceled the event. However, the Potluck is still on and will be at the home of Don and Jocylene VonRaesfeld in Santa Clara on Saturday, October 25<sup>th</sup> at 1 PM. Bring any dish to share. Hamburgers and sodas will be provided by the chapter. Anything stronger than water or sodas, BYOB. Pool and Hot Tub available and, yes, clothing is mandatory.

This is a family event. Bring all the kids. This is a great opportunity for chapter members to get to know each other and exchange hangar stories.

The walls, in Don's home, are covered with aviation pictures and it doesn't take much of a twist of Don's arm for him to show you his Home Office and his collection of model airplanes. Just don't ask his wife, Jocylene, to show you all Don's completed 'Honey-Do Projects'. I think the next thing on his list is an RV7, but don't tell his wife!!
